## Letter of Intent

Dear Ms. Munz,

With this letter my organisation \_\_\_\_\_ intents to become a member of the association HeavHy.

By joining this association, we provide financial and personal resources to help accelerate the ongoing protocol discussion within the hydrogen sector.

As members, we will:

- publicize the agenda of HeavHy through our membership and networks,
- encourage relevant hydrogen stakeholders we work with to join the network,
- allocate the necessary personal resources to regularly participate in the working groups
- facilitate information exchange and the sharing of best practices among our members in the frame of at least two working groups.
- input of requirements
- advocate for the hydrogen sector to support the purpose of the network

The following contact person is appointed to represent our organization and to proactively shape the development of HeavHy in order to reach the associations goal.

Full name:

E-Mail:

Address:

Telephone:

## Costs

Founding member and seat in the steering committee: 15,000 euros

In the first two years, the founding members commit to finance up to a maximum of 50,000 euros per year to secure the start-up phase. This applies if the membership structure cannot cover full funding in the first two years of ramp-up.

The association will be founded in October 2021.

Sincerely,

Name:

Title

The letter has to be signed by your organization's Director or by someone else with the authority to make a commitment to adhere to the HeavHy association statutes.
